Frequently Asked Questions

Q: CAN I SEE A SUITE IN PERSON?

Fenwyck Heights is still a very active construction site, so right now there is not a safe way to have residents come in and see a suite. We are working to set up a mobile office on site so you can come ask questions in person and see the design boards soon!

Q: HOW TALL ARE THE CEILING?

Ceilings in suites on floors 2, 3, and 4 are 8 feet 6 inches high, and ceilings on floor 5 are 10 feet high!

Q: WILL WE HAVE KEYS OR FOB?

The building and your suite will be Fob Entry.

Q: WILL WE HAVE EMERGENCY BUTTON PENDANTS?

Yes, Fenwyck Heights will have an emergency pendant system. Calls will be answered by our staff and emergency response teams will be contacted as needed.

February: Paperwork

It doesn't take long for mail and paperwork to pile up! This month, here's an idea to help you tackle that pile of papers that seems to keep growing!

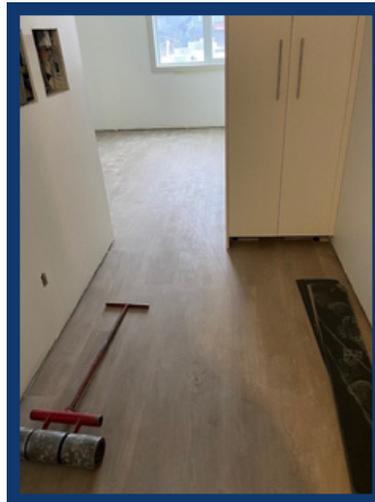

Sort papers into three piles: immediate attention (i.e. unpaid bills), short-term papers (i.e. tax documents, warranties) and lifetime papers (i.e. legal documents, insurance policies, passport, birth certificates).

Recycle old bills, letters, and solicitations, and keep only what is truly important.
Happy sorting!

Suites are painted!
Finishes like cupboards, flooring, and ceilings are going in!
And elevators are installed!

It's looking more home-like every day!
