Frequently Asked Questions

Q: WHAT SHOULD I EXPECT NEXT?

As we get closer to opening, you will need to complete an application form and have a medical assessment done by your family doctor no more than 45 days before you move in. We will do an interview with you to ensure Fenwyck Heights is a great fit for you and that we can provide any care you may require!

Q: MOTORIZED SCOOTERS

There will be an outdoor parking area available for motorized scooters. For safety reasons they cannot be used inside the building.

Q: WHERE CAN I DO MY LAUNDRY?

All 1 and 2 bedroom units can choose to have an optional in suite, stackable washer and dryer installed for a monthly rental fee. Premium suites have a washer and dryer included in rent. Those without a washer and dryer in their suite can access shared laundry rooms on each floor.

MONTHLY HELPFUL HINT

March: Gifting

You have surely collected a lot of sentimental and important items over the years. Start earmarking the special items you would like to gift to the special people in your life.

Beginning to gift those meaningful items to your loved ones now gives you lots of time to share your memories and treasures before your big move.

It's a good idea to aim to distribute such items before you make the move to your new apartment.
