

Frequently Asked Questions

Q: WHEN CAN I MOVE IN?

First, we need your resident application form, medical assessment (completed by a physician), and medication list.

Then we will schedule an appointment for a medical review with our staff, to discuss your specific care needs. Following the medical review, an appointment will be set to sign your lease. At the lease signing appointment your move in date will be set. We cannot set a move in date until all these steps have been completed.

Q: WILL MEALS BE SERVED RIGHT AWAY?

Yes. The kitchen is open and serving supper to all residents who have moved in, as well as breakfast and lunch to those residents on the breakfast and lunch programs.

Lest We Forget

"In Flanders Fields, the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below."

- John McCrae
