

Frequently Asked Questions

Q: HOW CAN I FIND OUT ABOUT IMPORTANT TOPICS TO FENWYCK HEIGHTS RESIDENTS?

Each month we hold our resident meeting. At this meeting, management discusses important topics with the residents and it is a great opportunity for residents to ask questions or raise concerns to management. The next resident meeting is on January 7th at 2pm.

Q: HOW CAN I JOIN RESIDENT COUNCIL?

Each May we hold an election for the new Resident Council.

We did recently have two positions open on the current Resident Council. All residents interested in joining are asked to let management know of their interest to join before the January 7th resident meeting.

Happy New Year!

"And now we welcome the new year. Full of things that have never been."

- Rainer Maria Rilke

MONTHLY HEALTH AWARENESS

January: Mixed Dementia

How does Lewy body dementia affect a person?

A person living with Lewy body dementia will experience a decline in thinking and memory over time. Even in the early stage, Lewy body dementia can affect the ability to plan and organize. It can also affect how quickly the brain can process information.
