Frequently Asked Questions

Q: WHICH STALLS ARE VISITOR PARKING?

Stalls 52-63 and 65-76 are labeled as designated visitor parking stalls. These stalls should be used first by visitors. If all of the visitor parking stalls are taken, stalls 1-12 and 91-101 are not yet assigned to residents.

Q: HOW CAN I PROVIDE FEEDBACK TO MANAGEMENT?

Feedback can be shared with management in several ways:

- 1) Complete the Resident Satisfaction Surveys that were distributed on April 22, 2025.
- 2) Complete a Concern Resolution, Input/Feedback & Request form in the binder on the sign in table at the front door.
- 3) Request an appointment to speak with management.

HEALTH AWARENESS

May: Advanced Care Planning

Advance Care Planning

“A way to help you think about, talk about and document wishes for health care in the event that you become incapable of consenting to or refusing treatment or other care.

You may never need your advance care plan - but if you do, you'll be glad that it's there and that you have had these conversations, to make sure that your voice is heard when you cannot speak for yourself.”
